## FINANCIAL POLICY

To help us provide the most efficient and reasonable health care services, it is necessary for us to have a financial policy stating our requirements for payment of services provided to patients.

Northern Illinois Cardiothoracic and Vascular Surgery is committed to providing you with the best possible care. Charges for services rendered have been determined based on usual and customary fees for this area. If you have questions in regard to your bill, please contact our billing office at (847) 695-1620. **The doctor does not take calls in regard to your bill.**

Patients are responsible for the payment of all services provided by Northern Illinois Cardiothoracic and Vascular Surgery. However, it is our policy to file your insurance as a courtesy, if we have accurate and complete insurance information. Our relationship with your insurance company is important to us. Therefore, we cannot legally write-off your co-pay, coinsurance, or deductible. If you need to make special payment arrangements, contact our billing office.

Your health insurance is a contract between you and your insurance company. It is your responsibility to obtain a referral from your primary care physician if necessary. You are responsible for any balance not paid by the insurance company within 60 days. Please be aware that some services may not be covered by your insurance policy.
